DELTA MEMBRANE SYSTEMS LTD.

DELTA® FlexiDri Plus Plugs

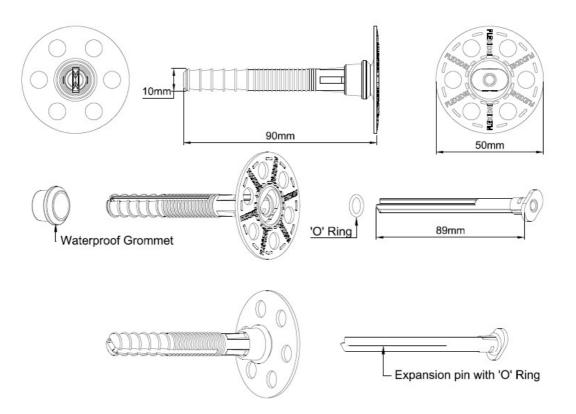

Expandable watertight fixing plugs for extra grip. These fixing plugs come with a watertight pin when driven home expands the plug to give a firm grip into the substrate. This pin also has an internal shank (that takes a 5mm dia. screw) for subsequent installation of wall ties and or dry lining systems.

Specifications

Product code:	DMS239
Contents:	Box of 100
Size:	10mm x 90mm
